Our gorgeous Villa is located in the sleepy little village of Eggi, in the heart of undiscovered Umbria.

Dripping with character, the Villa offers comfortable ensuite accommodation but the heart and soul of the Villa is it's spacious kitchen where Jo and *Mama* will show you the secrets of preparing authentic Italian cuisine with a pinch of fun and plenty of laughter.

The beautifully restored villa offers a magnificent garden and outdoor setting for al fresco dining, sunbathing and swimming, or shade for an indulgent siesta on a hot sunny day.

Surrounding us on the hillsides of Umbria, olives & grapes flourish along with mouthwatering organic produce, perfect ingredients for our newly learned recipes.

We will sample local truffles in homemade pasta at charming local trattoria and delicious wines at family run vineyards for truly Italian dining experiences, all of which are included in the cost of your holiday as are Italian language lessons. Plus you will explore the sights of the nearby hilltop towns of Castalucio, Spoleto, Assisi & Montefalco at a relaxed pace with plenty of time to browse market places & boutiques.
