

# ROUTE 66 MOTORCYCLE TOUR

## Guided Motorcycle Tour

World famous Route 66 motorcycle tour travels the original Route 66, known as the "Mainstreet of America" or "Mother Road". This route is 2400 miles long from Chicago to Los Angeles, crosses three time zones and eight States: Illinois, Missouri, Kansas, Oklahoma, Texas, New Mexico, Arizona and California. The 1950's were the Route 66 glory days, when thousands of cars rode bumper to bumper behind each other to experience the Western frontier. Hotels, motels and the new America that sprang up everywhere. Much of Route 66's classic roads, restaurants, gas stations, and nostalgic landmarks are preserved just as they were in the 1950's. The famous and nostalgic Route 66 is the road created in heaven for Harley-Davidson touring.
